Who is a good candidate for this course?

- This program is open to Sudbury-area students (over 16 years of age) planning to attend any college or university in the coming year and who have a learning exceptionality (Learning disability, ADHD, ASD, etc.) or mental health challenge.**
- It is also open to early year Cambrian College students with a disability.

Costs and Benefits of ACT?

- There is no cost. This course is free to eligible students.
- Completion of the course earns 3 GenEd credits at Cambrian College. *
 - These can be used in place of one of the three GenEd requirements in programs at Cambrian College
- Students planning to attend any college or university may participate in ACT, however, the course credit is only available at Cambrian College.

How will ACT prepare students for college?

- In this 8-week course a course moderator supports students through independent learning and live, interactive online activities.
- Students are guided through a process to develop tools and skills matched to their learning strengths and weaknesses.
- Students also learn ways in which college and university learning is different from high school learning.
- By the end of the course students will have developed a personalized learning profile and transition plan.

What are the course requirements?

- A computer, reliable internet access, and the ability to view and participate in videoconferencing sessions
- About 5 hours of time every week from March 1st through to April 23rd/2021.
