Transition Scholarships

Gale Wiseman, Vice-Chair of The Learning Disabilities Association of Sudbury received cheques from Mr. Tom King and Mr. Gary Cayen on behalf of The Scottish Rite Charitable Foundation of Canada (SRCF) and the Scottish Rite of Freemasonry – Valley of Sudbury. Thanks to their generosity, LDA Sudbury will be offering transition scholarships to two students identified with learning disabilities.

"We are proud to support The Learning Disabilities Association of Sudbury and are pleased to have the opportunity to help make a difference in the lives of deserving students," said Tom King. "We wish both students the very best as they transition to post-secondary studies and begin a new chapter in their academic lives." The SRCF concentrates its efforts on research into the causes and hopefully the eventual cure of cognitive impairments, especially as it affects children and persons of advanced years.
